Location of Kalta, Nematullah and another in Tirgiran/Dahane Nayak village;  
Qari Miraj and others in another village  
Attack being planned against patrols using IEDs.

### 23 August 2010

Reporting of:

NDS assessment on the outcome of 22 August 2010 operation.  
5 people killed, involving 2 identified insurgents, and 2 relatives of Nematullah, and an unknown 5<sup>th</sup> victim.  
Confusion as to identities of the deceased.

### 3 September 2010

Further reports on Miraj, Kalta and Nematullah continuing to plan to attack targets of opportunity in Bamian.

### 14-15 September 2010

Reporting (regarding events on or around 12 September) on:

Location of Kalta, Nematullah, Miraj and Qari Musa (**Musa**) and others  
Damage to the insurgents' compounds.

### 20-25 September 2010

Reporting (regarding events on or around 17 September-23 September) of:

Movements from around this time period indicating:  
Miraj leaving Bamian for Pakistan  
Musa heading south of Tirgiran initially then returning to Barfak  
Kalta and Nematullah located in Tirgiran supported by Taliban fighters  
Non-SOF operation at planning stage aimed at getting two particular insurgents (Musa and one other) to relocate.

### 2-3 October 2010

Reporting that:

Kalta and Nematullah still located in their compound in Tirgiran  
There is a perception that most in Tirgiran are not committed to Taliban  
The planned operation to aim to relocate particular insurgents is being pursued

**19-27 October 2010**

Reporting (regarding events on or around 14-19 October) that:

Nematullah, Kalta and Miraj in Andarah and planning an imminent attack.

Miraj and Musa have rockets and PKMs. Nematullah and Kalta currently in Pakistan.

Miraj and Musa involved in an ambush on 15 October, Nematullah and Kalta not involved in that ambush.

Perceptions that while 3 August 2010 ambush was not specifically known the general intention of insurgents in the area was known and need for local intelligence collection now reduced

Musa and Miraj and others have altered their daily routines as a result of ANSF, ISAF, the now completed operation, and local pressure.
