

INTEL SUMMARY SHEET

FUNCTION:

TBN 1.2.7 / District Criminal / INS – TB member / Tier 4 Target / IED expert trained in Pakistan / TB Sub Commander under **PSR(Sen)1**

SIGNIFICANCE:

- Qari MIRAJ has been identified as a violent individual who has been involved in significant TB activity in Tala Wa Barfak, BAGHLAN.

FUNCTIONAL CHARACTERIZATION

- IED Attack on ^{BRUCH}convoy – 05 JUL 10
- Linked to murder of an ANP Officer - 29 APR 10
- Linked to NZPRT TIC Kahmard District, Bamyan Province - 9 April 10
- Implicated in the murder of 2 German Journalist in 2006

EXPECTATION: (first, second and third order effects)

- Estimated degree of Psychological impact to network - MEDIUM
- Functional recuperation time estimate for the network is MINIMAL.
- Little political advantage if captures.

RISK: No known Political or Government affiliations

INTEL GAIN/LOSS: Qari MIRAJ likely has information about INS Networks and IED capability in BAMYAN and BAGHLAN Provinces, this would be a disadvantage if lost, though would be outweighed by the psychological impact of his death on the network itself.
