Hi guys,

I just had a quick chat with PSR(IC)3, PSR(TS)2 (thanks PSR(IC)3 for letting me use the VTC room).

main points were:

Very happy with weekend support, asked me to pass on P appreciation to PSR(IC)3  
ISR asset sent to see who is gathering in Baghlan/TWB at present for funerals  
Main concern is Qari Miraj, PSR(Sen)1, PSR(S)2, PSR(S)3  
Expects different and contradictory reflections over the next few days  
Happy with our coverage,  
PSR(Sen)1, PSR(S)2, PSR(S)3

And that was pretty much it.

Regards
