Lisa,

You don't happen to have a reference on the Executive Summary that may be able to point those searchers in NATO in the right direction. If needs be send it to me on Swan. We have a considerable posse of people (CAG, DCOS RS etc) looking for it.

We know we are now looking in the right area having exhausted archives in NATO and SHAPE. We are now inside HQ RESOLUTE SUPPORT in AFG!

Cheers...

PS: You came across well in the PC.

Kia ora Sir,

Further to my last query, I am wondering if you can obtain is the full report of the Incident Action Team (IAT) in respect of the Aug 10 operation from NATO.

The NZDF was only supplied with an executive summary and not the full material. The full report will likely be classified NATO SECRET.

I don't think NATO will be in a position to release the full report (if indeed a copy was retained post ISAF) but I am wondering if you have any contacts that you are able to ask?

Cheers

Lisa
